Numbers in parentheses indicate relative rank.

If a variety was not grown (or there was no data for it) in every location of a region, no data is reported here to preserve accurate statistics.

Individual results are available in the single location summaries.

Sacramento Valley locations reported: Davis 2012-14

San Joaquin Valley locations reported: Fresno 2012-14, Kern 2012-14, Kings 2012,2014

Imperial Valley locations reported: Holtville 2012-14
